Value

Over the past **36 years**, Karma Design has been bringing the latest designs and fashion to space. Karma Design offers the widest and best in class range of interior design and innovative ceiling concepts. It brings an enjoyable and hassle-free interior designing experience to all its valuable customers with varying concepts and preferences.

Our Vision

To be a World-Class, Innovative & Progressive Organization in Interior Design Industry.

Our Mission

Deliver best in class Interior Turnkey Solutions against our objectives for Safety, Superior Quality and adding Value to clients.

Our Values

- We put **Safety** at the top of every Agenda.
- Good Communication, Focused on **High Quality**.
- Technology with **New Age**.
- Excellent **Team Spirit**.
- Take Pride in **What we do**.

To Achieve this-

- Continuously seek ways to **Improve**.
- **Believe** each of us can make a difference.
- Share our **Success** with our Architect, Clients, our People and our supply chain.

Our Story

www.karmadesign.in

Karma Design is an interior design and turnkey projects execution firm that embarked on its journey in 1969 under the leadership of our **beloved Founder & Chairman, Mr. Ramniklal Babulal Pipaliya**. Today, with his vision and guidance, his **dynamic brother, Director - Mr. Rajesh Babulal Pipaliya, and passionate son and Director - Mr. Bhavin Ramniklal Pipaliya**, are driving the company on a path of multi-fold growth.

Karma Design has grown at a phenomenal pace today, which is clearly evident by serving brands like Saifee Hospital, Thomas Cook, Capital Investment Services, Lupin India, Hindustan Unilever, Blue Star, Societe General, Reliance and many more high end clients.

Karma Design is the **ONLY “One Stop Shop”** company with its own In-House Design Studio, Contracting Labour Strength, Centralized Factory in Mumbai. We are a Member of IGBC (Indian Green Building Council), AFMT & BIA, Channel Partner with Asian Paints. We have our own office in **Mumbai & Centralised Factory in Malad & Vasai**.
